-

Due to the nature of Search Engine Optimization we can offer no guarantees to the effectiveness and results of the service and/or information provided, all information is accurate at the time of publishing. We can however offer a guarantee that all activity is recorded and we are able to provide accurate reports to allow implementation and analysis of any service which is part of the paid commission, integrity is also part of our service.

-

As this service is conducted using manual and human resources we can guarantee that no automated systems are used to produce reports.

-

This is a comprehensive service and we cannot stress enough that we do not use automated systems and as such we can only give estimates on completion times but cannot guarantee them, furthermore we cannot accept all applications for this service. We offer a quality service and restrict numbers accordingly to maintain that quality. Please read SEO Services T&C's using the Terms and Conditions link on the left. All clients are dealt with on a 1st come 1st served basis and priority will not be given to any client at anytime.

-

Our service is strictly offered as a resource of our knowledge and experience and as such no physical product exists. Reports are generated from the analysis of your companies web site, your web presence at the date of commission and from information provided by you, your company and or an employee.

-

Certain aspects of our service includes the need to have access to your web site either by direct access, which will require login codes, if you are not comfortable with this then information can be provided to your webmaster who can implement the code and any necessary alterations, advice is provided on how to implement but no warranty is offered against incorrect usage of the code resulting in loss of service on your website and/or technical issues. Code is provided as is and integration within certain sites is not guaranteed.

-

All advertising and web pages offered as part of any package require graphics and certain user participation and does not include the creation of any pages or adverts.

-

PremiumSiteBuilder.co.uk is an online web building program and the price quoted (unless clearly specified in writing) does not offer any web building services. One week before the 3 month renewal is due a subscription email will be sent and needs to be activated before the free period has finished. In the event of non activation the site will be deleted from our servers. The 3 month period begins after the site has been published or 30 days after SEO services payment has been received, whichever is the sooner. The cost to continue this service will be £8.97 per quarter and includes site

hosting.

-

DecadeHomePage.com and OlympicPixels2012.com require graphics to operate correctly and will require independant registration. A limited amount of Images are provided and can be updated at anytime via customer login area.

-

1ofeach.com will require independant login by the user to allow and is only available for your primary keyword/phrase or business clasification.

-

Sponsorship of category of choice in YourParish.co.uk 'Free Directory' is not guaranteed and is available on a first come first served basis. It requires text and banner ads to funtion properly, the creation of banners ad are not included within this service. To take advantage of this service a subcription email will be sent and will require activation, the first 3 months will be free and each additional month will be charge at £1.50/month. Subscription can be cancelled at anytime, but once cancelled will forfeit the right to automatic renewal and will be made available to new advertisers immediately the renewal date is reached.

-

Cancellation of this service can be made by either party within 7 days of initial payment and no work will be started until this period has passed, unless a specific resquest is made in writing to start earlier.
